

11th NORWEGIAN PLUG AND ABANDONMENT SEMINAR

From Rig to Rigless – a radical journey?

19th of October 2023 08:30 – 17:00 , Quality Airport Hotel Stavanger

OFFSHORE NORGE

PROGRAM – SESSION 1

07:30 – 08:30 Registration

INTRODUCTION AND P&A REGULATORY UPDATES

How can we as an industry solve the future challenges and assignments within the P&A space?

How can we learn from each other and ensure that we as an industry are able to execute at a lower cost and at the same time maintain a high safety record with zero incidents and minimal environmental impact?

How can the introduction of new technology help us in achieving these goals?

Are we actually entering into a radical switch with respect to how we execute future operations and at the same time achieve our goals as an industry?

How can the governmental bodies assist us in this journey?
